*To Rebecca D. Flowers & Flowers Plantation,*

*I wanted to send you this letter to express my sincere appreciation for your help and support with the installation of a traffic light and enhancements to the entrance of our school. These improvements will have a tremendous impact on our families and their safety arriving and leaving our campus. I am starting my second year as the principal of River Dell Elementary, and it has been amazing to experience the support you and your community have given this wonderful school. We have been so blessed by your efforts and the efforts of our County Commissioners, School Board, and Superintendent in making River Dell Elementary as safe as possible for the students and families we serve. We have been enrolling new students all summer and the families have stated how impressed they are when they hear and see the support of your community and Johnston County. We use the term "community school" a lot in the world of education, I feel the partnership between the Flowers Plantation community and River Dell Elementary School is a true picture of that term in action. Thank you for all you do!*

*With Sincere Thanks!*

*Chad M. Jewett  
Principal  
River Dell Elementary School*
