DISCLOSURE SUMMARY FLOWERS PLANTATION FOUNDATION DOCUMENTS

Flowers Plantation Foundation, Inc. is a non-profit Foundation created solely for the purpose of maintaining NC Department of Transportation rights of way, entrances, white fencing, walking trails and other certain areas which need to consistently reflect a groomed, neat appearance, thereby enhancing the property values of all Owners. This maintenance is paid through an annual dues assessment currently \$183.00 for 2020. Foundation dues are billed to the homeowner in December and are due January 1 annually.

Street Maintenance Fund: A one-time fee of \$1000.00 will be collected at each closing for maintenance of the private streets. At closing, this fee will be paid as follows: \$500 to the HOA of the neighborhood and \$500 to the Flowers Plantation Foundation. This fund is held in an interest-bearing bank account separate from the HOA's operating funds for future repairs and Private Street resurfacing within the respective neighborhoods and the common private roads in the Foundation.

Solely the Declarant, Rebecca D. Flowers, manages Architectural Approvals for Flowers Plantation. It is separate and apart from the Foundation. All aspects of homes and lots must be approved through Declarant's office. An architectural application is included in these documents.
